

Eupheus International School – Loulé

New Year - Newsletter 2021 / 2022

It has been an action-packed start to 2022 at Eupheus. We have transitioned from online learning to returning to school, welcomed a number of new students, celebrated New Year around the world and been on memorable excursions!

Into the Wild

All of our students had a fantastic day of exploration and challenges as part of our ongoing Forest School initiative. The day involved our students experiencing a range of activities including - guided mini hikes in the hills, climbing, using GPS coordinates to navigate a hike, and creating shelters out of natural resources.

House Teams competed in a Scavenger Hunt. This required creativity, co-operation and thinking outside of the box to successfully complete each challenge.

The day culminated in learning how to safely make a campfire and the toasting and eating of lots of marshmallows!!!!

Visit to Centro de Ciência Viva

All of our Pre - School children had a wonderful morning at the Centro de Ciência Viva in Faro. They had a fantastic time exploring the interactive and hands on exhibits. They learnt about Healthy Eating, the Ria Formosa, and its indigenous sea horses. They even got to touch and hold a range of sea creatures which are found in the Ria Formosa!!!

Chúc mừng năm mới

Our Year 2 teacher, Miss Kieran, who lived and taught in Vietnam for a number of years, gave an animated talk about Vietnamese New Year for Year 2 and Year 6. The classes then created special envelopes called "pochi-bukuro," to receive their imaginary New Year money in!

我们学校祝你中国新年快乐

Our Chinese New Year Assembly, albeit in class bubbles, involved all of our classes learning about the Year of the Tiger. Each year group took part in a design challenge, culminating in a wonderful whole school collaborative display.

School News

Interest in Eupheus for the next academic year has reached an unprecedented level. We would like to remind all of our much-valued current parents to complete the re-registration process as soon as possible, if you have not already done so, to guarantee your child's place for 2022/2023. At this moment this simply involves filling in the re-registration documents and the paying of the annual registration fee. There are discounts available for those parents who wish to pay annually.

We are all looking forward to the second part of the Spring term and the activities and celebrations planned for our students. These will include celebrating Carnival, watching plays performed by a professional Portuguese theatre company and a number of school excursions.

Dates for the Diary

Monday 21st February –

Return to school after half term

Tuesday 1st March –

Carnival Celebrations: Details to follow

Wednesday 23rd March –

Parents` Afternoon

Friday 25th March –

Theatre Production by Gato Escaldado

Friday 8th April –

Last day of Spring term - Easter Holidays
