

## Eupheus International School – Loulé

### Summer - Newsletter 2022 / 2022

At Eupheus, we have certainly had a full on Summer term. We have seen all areas of the school continue to grow in numbers and the very welcome return, after almost three years of being able to go on school excursions and invite parents back into our school for Parent's Afternoons. It was a wonderful end to the school year to be able to celebrate the end of term with all of our students, parents, and teachers together.

### Zoomarine

Our youngest children in Pre-School enjoyed an action-packed day together at Zoomarine and had the unique opportunity to experience the brand-new Butterfly Garden and interact with all of the different species. They had a wonderful time and thoroughly enjoyed their day.

### Badoca Park

Our Primary and Lower Secondary students were up bright and early for their excursion to Badoca Park. They started the day with a whole school jeep safari, encountering a wide array of wild animals including buffalo, ostriches, zebras, and giraffes! Birds of prey were observed in flight and, perhaps, the highlight for many, was the unique lemur interaction that we arranged especially for our students!

### Children's Day

To celebrate Children's Day the whole school came together for a much-welcomed ice lolly, and despite an unexpected downpour of rain, we all thoroughly enjoyed this special treat!

## House Songs

As House challenges and working together are very much a valued part of Eupheus life, it was inspiring to observe how well each team collaborated to compose, orchestrate, and perform their individual unique team songs. Zeus were the victors, with their catchy rendition of `Zeus will Rock You`, accompanied by much foot stomping! Fantastic team spirit was shown throughout, and a very well done to every participant.

## Parent's Afternoon

It was fantastic to be able to welcome all of our parents into the classrooms for Parent's Meetings again. Our parents were very impressed with the extremely detailed `End of Year Reports`, and all of the value-added progress that their children had clearly made in each area of the curriculum.

## Teddy Bears Picnic

In the last week of term our Year 6 students hosted a Teddy Bears Picnic for all of the Pre-School and Primary School children. Year 6

prepared posters, delivered hand made invitations, designed a route through the woods and made lots of honey and jam sandwiches!!! Bears and cuddly toys of all shapes and sizes arrived eagerly to the woods and a great time was had by all at the picnic!

## Eupheus Student of the Year Awards

On the last day of school, we held our annual awards ceremony, celebrating the achievements of all of our students across the curriculum and culminating in the Eupheus Ambassador of The Year Award. This was deservedly awarded to Joshua Borman, and our prestigious Eupheus Student of the Year Award 2022 was unanimously awarded to Holland Peereboom.

Well done, Holland!

## End Of Term

There was a water themed end to the school year with our Pre-School children inviting their parents to a Pirate themed party, involving lots of fun and games and, of course, a hunt for buried treasure!

Our Primary and Lower Secondary students had a spectacular day at Quinta do Lago Lake with parents invited to come along and join in the many activities on offer including kayaking, paddle boarding, and the pedalos!

All agreed that it was a wonderful way to conclude what has been another highly successful year at Eupheus.

## School News

We are all looking forward to the next school year with great excitement and sharing with you all of the developments that are scheduled to take place during the Summer.

It has been an incredible year for our school in terms of growth and evolution, and we anticipate the positive implications that this will have for our school and community.

We would like to take this opportunity to thank all of the Eupheus family for their continued support and we wish everyone a wonderful *Summer Holiday – Boas Férias!*

## Dates for the Diary

**Week Beginning Monday 5<sup>th</sup> September**  
Back to School Parents` Meetings  
***Dates to be Confirmed***

**Monday 12<sup>th</sup> September –**  
Start of Autumn Term
